PROFILE

Bachelor of Science in Information Technology student with an interest in web development and database management. I enjoy learning new technologies, improving my programming skills, and creating simple, useful, and user-friendly systems. I am looking to grow as an IT professional and gain experience through real-world projects.

EDUCATIONAL BACKGROUND

Tertiary Level: **Bachelor of Science in Information Technology**
Northeastern College
3rd Year Student | Expected Graduation: 2028

TECHNICAL SKILLS

- **HTML:** Creating the structure of web pages
- **CSS:** Styling and designing websites
- **PHP:** Developing basic website functionality
- **MySQL:** Managing and storing database information
- **Basic Web Development:** Building simple, user-friendly websites
- **Problem-Solving:** Finding solutions to basic programming errors

INTERESTS

Learning new things, exploring technology, improving computer skills, discovering new apps and websites, and personal growth.

HOBBIES

Listening to music, watching movies and series, playing mobile games, and browsing social media.

I hereby certify that the above information is true and correct to the best of my knowledge and belief.
